Dear Richard,

Reference – Scrutton Street Project – Private and Confidential

Further to our recent discussion, I am pleased to provide you with the following reference;

I have worked with ORMS as architect and lead designer on a number of office refurbishment projects, ranging in value from £600k to £12 million, over the last two to three years.

The Orms team are experienced, easy to work with and capable of delivering excellent designs that have been well received by both the client team and market. The Orms project teams are structured, using their range of internal skills, to suit the specific project brief and carefully co-ordinated by Richard who always retains a regular and often detailed project involvement.

Yours sincerely
